

In Memory of Ted Luther

Ted on right, with his grandson, Steven Wetmore, at this year's All American.

All of us in the southeast and the entire Jersey breed lost a great friend and true supporter of all that is Jersey with the passing of Ted Luther. Having served on the NAJ board and as President for many years, Ted helped shape the industry with his work on component pricing and the All-Jersey® markets in the southeast.

He chaired the Rueben Cowles Youth Award since its inception. Memorials directed to this fund would be an appropriate honorarium to Ted.
